Trustee Scholarship Matching Program (SCGTS)

The Behrend College Trustee Matching Scholarship Fund is the primary target for fund-raising this year. Trustee Matching Scholarships are literally twice as valuable as traditional scholarships, which only award 5% of the principal each year. Our Trustee Scholarships pay that 5% plus 5% additional funds *from* University Park, effectively doubling the scholarships available to Behrend students.

- Scholarship fund will provide aid to students with significant financial need.
- Behrend trustee scholarship recipients have an average GPA of 3.41.
- Individual awards will range from \$1,250 to \$2,500 per year.

The matching funds are part of the University's annual operating budget approved by the Board of Trustees and the tentative ending date for new pledges is June 30, 2007. The Behrend College Scholarship Awards Committee will determine the recipients from a pool of eligible students provided by the Office of Student Aid at University Park.

“The best news is that the Trustee Matching Scholarship, like many other things, can be paid for over time, but it begins to work immediately! The program doubles the impact of our gifts and has the potential to transform the lives of countless students, now and in the future. Thus the value of a gift becomes more valuable than the gift itself!” — Grant Daubenspeck, Donor
