## NOTHING BEATS EXPERT INSTRUCTION EARLY

Every sport is more fun when you know how to play it right. And that's just what boys and girls from ages 4 to 17 learn at Penn State Behrend sports camps.

### Individual Camps in Baseball, Basketball, Soccer, Softball, Swimming, and Volleyball

This summer there will be camps in five sports for both boys and girls. The camp director for many of these camps is the varsity coach in that sport at Penn State Behrend, with assistance from the college's athletes and high school or college coaches.

With that kind of close instruction, campers learn a lot quickly—and have fun doing it. Camps are offered at various times from June 6 to August 7. See inside for all the details.

## OVERNIGHT CAMPS AND TEAM SHOOT-OUTS

In addition to the day camps for individual players, Penn State Behrend will also offer three resident camps—one for football and two for basketball teams.

The Sandusky Football Camp is directed by Jerry Sandusky, long-time defensive coordinator for the Penn State Nittany Lions.

The boys basketball team camp is run by Dave Niland, head coach of the Penn State Behrend Lions men's basketball team.

The girls basketball team shoot-out is run by Roz Fornari, head coach of the Penn State Behrend Lions women's basketball team. See next column for all the details.
