

Senior Class Gift Proposal

Almost every graduating class since 1861 has made a memorable and lasting gift to Penn State and since 2001 Behrend Seniors have followed suite, showing their philanthropic support of the University.

Before Behrend's Seniors can choose what they will give back to the college, proposals are needed to generate ballot selections. A volunteer ballot selection committee consisting of students, faculty, staff, and administrators will review all proposals and choose three potential gifts that will be presented to the senior class who will then vote on their choice for their gift. In your proposal please address all of the following questions.

If you have any questions please contact Kristen Comstock, assistant director of alumni relations, at kcc146@psu.edu or 814-898-6367.
